A Word of Welcome

Good morning and Welcome to Worship on Remembrance Sunday an auspicious occasion that I have always felt should be remembered each year and never be neglected. This year is no different as we gather together to give God thanks Remembering those who have simply become known as 'the Fallen' in our 2 minutes silence which sets the tone for the rest of the service. I always find this to be a most moving time of the year. Here in Park Church, we have had the Torch of Remembrance passed on from the original congregation of the City Centre Church then known as Park Church and we are now the custodians of the Memorial of names whose lives were offered and taken in Both World Wars. So for us here, this is an important thing we do to Remember the Fallen and to thank God for the freedoms we continue to enjoy these days. I hope you find the service this morning to be uplifting and that we all know the blessing of God in the coming week through it.

N.B. Tea and coffee is available after the service - please join us

Since the time of opening up form the Covid Lockdown period the Helping hands food bank has grown increasingly busy and we as a neighbouring congregation and now as part of the same Cluster have sought to assist with donations of food and Finance , all of which has been most appreciated and well used so thank You for rising to the challenge in these times of where many are struggling to feed their families and heat their homes in the winter.
