Good morning,

Welcome to another Lord's Day Service of Worship as we gather again to give God our thanks and Praise, to enjoy the Fellowship we share as we collectively spend time in prayer together thinking not just of our own needs but the needs of others as well along with the Challenge of God's Word reminding us of the story of Grace and its impact upon us. It is certainly my prayer that you enjoy the Service this morning. As always, the opportunity of continued fellowship over Tea or Coffee after the service is an open invitation for all but if you must race away ... have a great Week.

Regards...

Calum D. Macdonald
